

CALL FOR PROPOSALS

Deadline of Submission: June 15, 2018

CONFERENCE HAPPENING ON
October 4 - 5, 2018
Khoo Teck Puat Hospital
in Singapore

SPEAK OR PRESENT AT THE 5th GREEN HOSPITALS ASIAN CONFERENCE IN SINGAPORE

SUBMIT TOPIC HERE

The annual Green Hospitals Asian (GHA) Conference offers you a platform to present or exhibit significant, notable and trending topics in the healthcare sector.

This 2018, the Conference will take a bigger role in tackling climate and health issues, green and sustainable healthcare, green buildings, sustainable procurement, energy sources and environmentally-sound medical waste management to name a few.

For that reason, we look forward in receiving a topic submission from you.

Topics we are seeking include, but are not limited to:

- Leadership (leadership strategies for sustainable healthcare/positive health/health promotion/innovation)
- Chemicals (non-EDCs/non-toxic healthcare/nanomaterials and nanomedicine in healthcare)
- Waste (reduction/management strategies in healthcare)
- Energy (energy efficiency/renewable energy)
- Climate change & health (mitigation/resilience/leadership)
- Water (consumption/reduction/reuse in healthcare)
- Food (sustainable & healthy food in healthcare/food waste)
- Pharmaceuticals (management/disposal of pharmaceuticals/antimicrobial resistance)
- Buildings (sustainable buildings/green and healthy hospital design)
- Purchasing (green and ethical public procurement in healthcare)
- Education and stakeholder engagement (training/ professional development/engagement with nurses, staff, management, etc.)

For more information, you may send an email to greenhospitalsasia@no-harm.org or info@no-harm.org
